Replacement Parts For **CATERPILLAR**®

Section 1

# Rebore Kits

# Rebore Kits

## For Non-Sleeved Engines

Rebore kits include the following components: **PISTON, PISTON PIN, LOCK RING AND PISTON RINGS**. Depending on the application, contemporary design features as listed below are included.

PISTONS:
1. Ni - resist top grooves to control groove wear.
2. Balancing for smooth engine operation.

PISTON PINS :
1. High strength steels meet structural requirements to prevent pin breakage or deflecation.
2. Case hardened to provide long lasting wear surfaces.
3. A high degree of dimensional and surface finish control are the final requirements for strength and long life.

PISTONS RINGS :
1. Latest, high strength materials to protect against fatigue breakage.
2. Chrome and moly plated O.D. finishes provide long lasting wear surfaces.
3. Chrome plated and nitrided steel oil rings give Good oil control.

Section 2

# Liner Kits

# Liner Kits (No Seal Kit)

sleeve assemblies include the following components:
**CYLINDER SLEEVE (WET & DRY) PISTON, PISTON PIN, LOCK RINGS AND PISTON RING SET**..

Heavy duty aluminum, iron and steel components provide the structural strength and dimensional Integrity to give OE equivalent performance and life. Depending on the application, contemporary design features listed below are included.

PISTON:
1. Ni - resist top grooves to control groove wear.
2. Balancing for smooth engine operation.

PISTON PINS :
1. High strength steels meet structural requirements to prevent pin breakage or deflecation.
2. Case hardened to provide long lasting wear surfaces.
3. A high degree of dimensional and surface finish control are the final requirements for strength and long life.

PISTON RINGS :
1. Latest, high strength materials to protect against fatigue breakage.
2. Chrome and moly plated O.D. finishes provide long lasting wear surfaces.
3. Chrome plated and nitrided steel oil rings give good oil control.

SLEEVES :
1. Sleeve material is carefully manufactured to give longest possible service life with the least amount of wear. Heat treated as required.
2. Firewalls and head gasket beads are included to enhance gasket performance and life.
3. Cross-hatched, plateau honed finish on all I.D.s provides proper sealing and surfaces for piston rings.

SLEEVES SEALING RINGS : Mahle dosen't supply liner seal kit, if wanted would supply Phillips Gasket®
1. Selected up-to-date compounds give good resistance to compression and thermal set, tearing and leaking.
2. Round, rectangular and square configurations are designed to meet the specific needs of different engines.

# V-Belt

# V-Belt Sizing Guide

**Belt Size Refers To The Pulley Groove Width (B) For Belts Under And Equal To 1/2 In.**

**Belt Size Refers To The Belt Top Width (A) For Belts Over 1/2 In.**

| Belt Size | A - Belt Top Width | B - Pulley Groove Width |
|---|---|---|
| 9.6mm (3/8in) | 10.72mm (0.422in) | 9.65mm (0.380in) |
| 12.7mm (1/2in) | 13.89mm (0.547in) | 12.70mm (0.500in) |
| 17.5mm (11/16in) | 17.48mm (0.688in) | 15.88mm (0.625in) |
| 19.1mm (3/4in) | 19.05mm (0.750in) | 17.53mm (0.690in) |
| 22.2mm (3/8in) | 21.51mm (0.847in) | 19.94mm (0.785in) |
| 23.8mm (15/16in) | 23.83mm (0.938in) | 22.30mm (0.878in) |
| 27.0mm (1 1/16in) | 26.97mm (1.062in) | 25.48mm (1.003in) |
| 31.8mm (1 1/4in) | 32.94mm (1.297in) | 31.83mm (1.253in) |

SAE effective length for COG and NON-COG belts equals:

Outer circumference minus 9.65mm (0.38in) for 3/8 inch and 1/2 inch belt size

Outer circumference minus 14.48mm (0.57in) for 11/16 in and larger belt sizes

V-Belt MaIntenance Tips

. Check for cracked, worn, or frayed belts. On matched belt sets, always replace the complete set. If just one belt is bad, uneven load on belts, pulleys, bearings, and shafts can occur.

. Check pulley grooves to make sure they are not worn, damaged, or aligned incorrectly. Poor belt to life. pulley contact will result in rapid wear and short

Using a tension gauge, check belt tension after installation and at every oil change. Adjust to ensure proper belt seating.

# WARRANTY

All AsZ new replacement parts are warranted to be free of defects in material and manufacturing under normal usage and service.

AsZ Coverage will extend a full twelve (12 ) months from date of invoice on an engine without mileage or hour qualification.

AsZ will replace any damaged AsZ part free of charge based on below

## Limitations

1- The provisions of this warranty shall not apply to any AsZ part altered from it's original specification or which has been misused, exposed to weather conditions, negligence, or damaged by accidents.

2- This warranty is provided solely to direct customers of AsZ and not to any other party. It is the only agreement or obligation of AsZ all other warranties expressed or implied, including the warranties of merchantability and/or fitness for a particular purpose are excluded.

## Dealer

All warranty claims should be processed as follows:

1- Contact AsZ warranty manager in Miami.
2- Ship defective component prepaid with warranty claim from and all other pertinent information to AsZ attention warranty manager.
3- Oil sample must be taken and sent to AsZ
4- Completely fill out warranty claim from given with as much details as possible regarding the circumstances of the failure.
5- Include copies of all work orders for the original engine build when AsZ parts were first installed.
6- Include copies of all work orders of the parts for the repair of the engine failure.
7- Please check all charges to be sure they are claimed at AsZ net price.

## Conditions

1- AsZ must be notified by customer before filing a warranty claim.
2- All warranty claims and AsZ reserves the right to examine every single engine or part subject to a claim under this warranty.
3- Price of parts will be based on AsZ current price list or other accepted suppliers at AsZ option.

## End User

1- The user should contact the AsZ dealer from which the items were purchased to initiate a warranty claim. The user will be advised what procedures he should follow in replacing the failed part and to prepare and submit a claim to AsZ for review.

All other AsZ parts : all warranty will be based on the same warranty that extended by the OEM's on the same parts.
